During the afternoon hours on Saturday, October 2, 2004, Steven Gutierrez, an admitted "West Side Verdugo" gang member from San Bernardino, and another HMA gang member, arrived at a friend's home in the 15700 block of Willow Street, in Victorville. Gutierrez got into a fight with 25 year-old Oscar Ramirez of Victorville. During the fight, Ramirez was apparently stabbed twice in the back and struck with a baseball bat by Gutierrez and his friend. As Gutierrez and his friend fled the scene they both claimed they would return. At about 2:09 AM the following morning, three HMA's, two of whom fit the descriptions of Gutierrez and his friend, arrived at 15736 Willow, broke out two front windows, and then fired several shots inside the home where Donald Woods and his girlfriend were asleep. Woods was struck several times by the gunfire and later transported to Victorville Community Hospital where he died.
